TENDER NOTICE

Avisena Healthcare Sdn Bhd ("AVISENA") invites interested and suitably qualified suppliers to submit tenders for the supply, delivery, installation, testing, and commissioning of a cystoscope camera system for Avisena Specialist Hospital.

The objective of this procurement is to equip Avisena Specialist Hospital with a reliable and clinically suitable cystoscope and system that supports diagnostic and therapeutic urological procedures. The proposed solution shall enhance clinical efficiency, patient care, and operational readiness through appropriate functionality, image quality, ease of use, and compatibility with the hospital's clinical environment.

The appointed supplier shall be responsible for the supply, delivery, installation, testing, commissioning, training, warranty, and after-sales support of the cystoscope and system in accordance with the requirements outlined in this tender document. The proposed equipment and system must be safe, reliable, fit for purpose, and compliant with all applicable laws, regulations, standards, AVISENA's internal policies, and operational requirements.
